

Nicole A. Roberts, Ph.D.
Curriculum Vitae
August 2023

Arizona State University - School of Social and Behavioral Sciences
4701 W. Thunderbird Rd., MC 3051, Glendale, AZ 85306
Health Futures Center, 6161 E. Mayo Blvd., AZ 85054
602-543-3911; Fax 602-543-6004
Nicole.A.Roberts@asu.edu; www.asuemotionlab.com

EMPLOYMENT

2021 – Aug. 2023 Senior Associate Director, School of Social and Behavioral Sciences
Arizona State University, Glendale, AZ

Nov. – Dec. 2022 Acting Director, School of Social and Behavioral Sciences
Arizona State University, Glendale, AZ

2017 – 2021 Associate Director, School of Social and Behavioral Sciences
(Sabbatical 2020-21) Arizona State University, Glendale, AZ

2013 – Present Associate Professor, School of Social and Behavioral Sciences
Arizona State University, Glendale, AZ

2006 – 2013 Assistant Professor, School of Social and Behavioral Sciences
Arizona State University, Glendale, AZ

2004 – 2006 Assistant Professor, Department of Psychology
University of Wisconsin-Milwaukee, Milwaukee, WI

2003 – 2004 Postdoctoral Fellow in Clinical Psychology
Northern California VA Healthcare System, Martinez, CA
Department of Psychology, University of California, Davis, Sacramento, CA

2002 – 2003 Predoctoral Intern in Clinical Psychology (APA-Accredited Internship)
Northern California VA Healthcare System, Martinez, CA
Department of Psychology, University of California, Davis, Sacramento, CA

2000 – 2004 Sleep Technician and Researcher
San Francisco VA Healthcare System, San Francisco, CA
Department of Psychiatry, University of California, San Francisco, CA

1999 – 2000 Assistant Clinic Coordinator, Psychology Clinic
University of California, Berkeley, CA

1996 – 1999 Graduate Research/Teaching Assistant, University of California, Berkeley, CA

LICENSURE / OTHER APPOINTMENTS

2016 – present Research Affiliate, Mayo Clinic, Scottsdale, AZ

2008 – present Research Affiliate, Carl T. Hayden VA Medical Center, Phoenix, AZ

2008 – present Licensed Psychologist, Arizona (License #3947)

EDUCATION

2003 Ph.D., Clinical Psychology
University of California, Berkeley

- 2000 M.A., Clinical Psychology
University of California, Berkeley
- 1995 B.A., Psychology
University of California, Berkeley (Department Highest Honors, Highest Distinction
in General Scholarship, Phi Beta Kappa)

ACADEMIC AWARDS AND HONORS

- 2023 *Leadership Excellence* Award, New College of Interdisciplinary Arts and Sciences,
Arizona State University
- 2022 *Outstanding Interdisciplinary Practice* Award, New College of Interdisciplinary
Arts and Sciences, Arizona State University
- 2012 Nominee, *Distinguished Scientific Award for Early Career Contribution to
Psychophysiology*, Society for Psychophysiological Research
- 1999 – 2002 Predoctoral Fellow, National Institute of Mental Health Consortium in Affective
Science
- 2000 *HealthEmotions* Travel Award, *HealthEmotions* Research Institute, Madison, WI
- 1999 Graduate University Fellowship, University of California, Berkeley

RESEARCH INTERESTS

Emotion, psychophysiology, neuropsychiatric disorders, ethnicity and culture, couple relationships,
stress, and sleep

PUBLICATIONS

CONFERENCE PRESENTATIONS

SYMPOSIA CHAIRED (refereed)

Advances in empathy. (2010, January). Symposium presented at the annual Society for Personality and Social Psychology Emotion Preconference, Las Vegas, NV. Role: Chair.

Emotion in social relationships. (2010, January). Symposium presented at the annual Society for Personality and Social Psychology Emotion Preconference, Las Vegas, NV. Role: Chair

Sweating the small stuff?: Emotion, stress, and health in everyday life. (2010, March). Symposium presented at the annual meeting of the American Psychosomatic Society, Portland, OR. Role: Co-Chair.

How do we "transform," "translate," and apply emotion research? (2009, January). Symposium and panel discussion presented at the Society for Personality and Social Psychology Emotion Preconference, Tampa, FL. Role: Chair.

Patients are a virtue: What studies of clinical and neurological patients reveal about physiological mechanisms of emotion. (2008, October). Symposium presented at the annual meeting of the Society for Psychophysiological Research, Austin, TX. Role: Chair.

PAPERS PRESENTED (refereed or invited)

*Marken, C., **Roberts, N.A.**, Burmeister, L., & Johnson, S.L. (2023, May). *Association of marital quality with mental health in police wives.* Paper presented in symposium on Relationship Maintenance/Satisfaction at the International Association for Relationship Research Mini-Conference on Resilience in Interpersonal and Social Environments, Phoenix, AZ.

Roberts, N.A. (2021, October 9th). *Why Get Emotional? Avoiding and expressing emotions in functional neurological disorders.* Invited research presentation for symposium panel, "Functional Seizure (FS) Research - Where are we now? Where do we hope to be?" 2021 Virtual Non-epileptic / Functional Seizure Conference. <https://fndhope.org/usa/seizureconference2021/>

Roberts, N.A. (2020, December). *Should biology inform the name?* Invited 90-second comments followed by discussion for a panel (Organizer: B. Dworetzky; Moderator: D. Perez), What's in a name: International moderated discussion with many points of view regarding the name(s) of seizure variant FND," webinar jointly hosted by the American Epilepsy Society (AES) and the AES Psychogenic Nonepileptic Seizure Special Interest Group (PNES SIG). <https://www.fndsociety.org/fnd-education/dec3-webinar-material>

Roberts, N.A. (2018, September). *Culture, stress, and emotional processing in PNES*. Invited talk for a panel, Predisposing and Exacerbating Emotional Factors (Moderator W. Nassif). Generating a Research Agenda in Functional Neurological Disorders, Emory Center for Ethics, Atlanta, GA.

Burleson, M.H., **Roberts, N.A.**, & Soto, J.A. (2017, January). *Social emotion regulation through touch?* In L. Eldesouky & T. English (Chairs) You're not alone: How social factors shape emotion regulation. Paper presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Soto, J.A., Lee, E., & **Roberts, N.A.** (2015, October). *Convergence in feeling, divergence in physiology: Consequences of disgust amplification and suppression among European Americans and Asian Americans*. In M. Shiota & L. Gatzke-Kopp (Chairs) Equal, but not the same: Why participant diversity matters in the study of physiology-behavior associations. Paper presented at the annual meeting of the Society for Psychophysiological Research, Seattle, WA.

Roberts, N.A. (2014, March). *Converging experimental evidence for neurobiological and emotion-related mechanisms in psychogenic nonepileptic seizures*. In S. Howlett (Chair) Psychogenic non-epileptic seizures: Neurological, psychological, and psychotherapeutic perspectives. Paper presented at the annual meeting of the European Society for Trauma and Dissociation, Copenhagen, Denmark.

Roberts, N.A. (2013, November). *Mechanisms of PNES: Somatization, Dissociation, and Emotion*. Invited address to the Third Annual National (Denmark) Meeting on Psychogenic Non-epileptic Seizures, Copenhagen, Denmark.

Roberts, N.A. (2012, December). *New insights into the neurobiological underpinnings of psychogenic nonepileptic seizures (PNES): An emotion perspective*. Invited address to the PNES Special Interest Group of the American Epilepsy Society, 66th Annual Meeting, San Diego, CA.

Roberts, N.A. (2010, March). *What can trauma teach us about stress and emotion?* In M.L. Newman & N.A. Roberts (Chairs) Sweating the small stuff?: Emotion, stress, and health in everyday life. Paper presented at the annual meeting of the American Psychosomatic Society, Portland, OR.

*Zamora, A.D., Miller, P.A., **Roberts, N.A.**, Burleson, M.H., Tinsley, B., *Weber, D.J., *Pugliese, J., & Bernal, A.M. (2009, April). *Parents' socialization of child coping during natural disasters: Similarities and differences across wildfires and tornadoes*. In B. Tinsley (Chair) Parents' socialization of children's responses during disasters. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.

Roberts, N.A. *Promoting well-being through effective emotion regulation*. (2009, February). Invited address to the Building Healthy Lifestyles annual conference, Arizona State University, Phoenix, AZ.

Roberts, N.A. (2008, October). *Emotional functioning in epilepsy and nonepileptic seizure disorder*. In N.A. Roberts (Chair) Patients are a virtue: What studies of clinical and neurological patients reveal about physiological mechanisms of emotion. Paper presented at the annual meeting of the Society for Psychophysiological Research, Austin, TX.

Roberts, N.A. (2008, May). *Cultural background interacts with social context in influencing emotional responding*. In I.B. Mauss (Chair) Culture and Emotion: Beyond Group Differences. Symposium presented at the annual meeting of the Association for Psychological Science, Chicago, IL.

*Weber, D.J. & **Roberts, N.A.** (2008, February). *Executive support for emotion regulation: Effortful control or cognitive flexibility?* In M.N. Shiota (Chair) Keep Your Cool, or Keep it Real?: Moving

Beyond Effortful Control in Emotion Regulation Research. Symposium presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

*Turner, L.B., *Manos, R.C., *Rusch, L.C., **Roberts, N.A.** & Kanter, J.W. (2007, May). *An application of FAP enhanced behavioral activation (FEBA) to non-clinical relationship difficulties*. In A. Busch (Chair) New Advances in Behavioral Activation. Symposium presented at the annual meeting of the Association for Behavior Analysis, San Diego, CA.

Roberts, N.A. (2006, April). *The Emotional Impact of Media Images: Does Ethnic Match Matter?* Paper presented at the annual University of Wisconsin System Institute on Race and Ethnicity conference, Milwaukee, WI.

Roberts, N.A. (2002, October). *Who we are and who we watch: The impact of ethnicity on emotional reactions during films*. In J.L. Tsai (Chair) What has psychophysiology revealed about ethnicity and emotion? Paper presented at the annual meeting of the Society for Psychophysiological Research, Washington DC.

POSTERS PRESENTED (refereed)

*Zheng, X., **Roberts, N.A.**, *Villarreal, L.D., *Ku, E., & Burleson, M.H. (2023, Mar/Apr). Can affect regulation via physical touch benefit interoceptive awareness among patients with psychogenic non-epileptic seizures? Poster presented at the annual meeting of the Society for Affective Science, Long Beach, CA.

*Suciu, J., **Roberts, N.A.**, Paranjpe, T., Lin, A., Ranjan, A., Sim, S., Duran, N., Burleson, M.H., & Zhao, M. (2023, Mar/Apr). Sleep disruption: A potential "threat" to police officer recruits' emotion regulation. Poster presented at the annual meeting of the Society for Affective Science, Long Beach, CA.

- Selected for poster spotlight and for long abstract to be published in *Affective Science*.

*Barragan, N., Hall, D., *Suciu, J., & **Roberts, N.A.** (2023, Mar/Apr). A longitudinal analysis of the role of computer-mediated communication in positive affect and thriving during the covid-19 pandemic. Poster presented at the Positive Emotion Preconference of the annual meeting of the Society for Affective Science, Long Beach, CA.

*Munson, A.A., Burgess, L., Gress-Smith, J.L., Kothari, D., **Roberts, N.A.**, & Davis, M. (2022, April). Feasibility of MINT: A mindfulness intervention via telephone for chronic pain and depression in Veterans. Poster presented at the annual meeting of the Society of Behavioral Medicine, Baltimore, MD.

*Kanga, N., *Ku, E., *Munson, A., *Villarreal, D., Burleson, M.H., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2022). Does Valuing Emotion Control Translate into Emotion Control? Suppression and Avoidance in Individuals with Functional Seizures. Poster presented at the annual meeting of the Society for Affective Science.

*Munson, A.A., Burleson, M.H., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2021). Feeling the absence of touch: Affect regulation during COVID-19. Poster presented at the annual meeting of the Society for Affective Science.

*Charles, C., **Roberts, N.A.**, Burleson, M.H., Bhargava, M., Naeem, K., & Porter, R. (virtual presentation due to COVID-19, April 2021). Assessing neurocognitive deficits in pre-neurosurgery patients: The role of affective influence in consent. Poster presented at the annual meeting of the Society for Affective Science.

Smith, J.G., Borowa, D., Tran, Y., Arizmendi, B., Rossetto, A., *Miller, S., Patterson, S., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2020). Cognitive behavioral therapy for chronic pain in a primary care setting: Implementation and possible effects on opioid use among Veterans. Poster presented at the annual meeting of the Society of Behavioral Medicine (original location: San Francisco, CA).

*Villarreal, L.D., *Charles, C., *Moore, T., *Rolen, N., **Roberts, N.A.** & Burleson, M.H. (virtual presentation due to COVID-19, April 2020). Emotional awareness and physical affection among individuals with posttraumatic stress and psychogenic seizures. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

*Burnett, A., *Woodward, C., *Burmeister, L., *Lwin, K., **Roberts, N.A.**, & Burleson, M.H. (virtual presentation due to COVID-19, April 2020). Specificity of hiding feelings and relationship satisfaction among law enforcement officers. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

Burleson, M.H., *Campbell, B., *Khanna, S., *Schodt, K., Mickelson, K., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2020). Touch as emotion regulation: A questionnaire to assess social touch as a regulatory process. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

*Burmeister, L., *Moore, T., *Ornelas, D., *Thibault, S., Little, J., Burleson, M.H., & **Roberts, N.A.** (2019, March). Do emotion control values hinder law enforcement officers from seeking mental health services? Emotion control values and mental health care stigma. Poster presented at the annual meeting of the Society for Affective Science, Boston, MA.

INVITED ACADEMIC COLLOQUIA

External Invited Colloquia

Roberts, N.A. (2023, February). *What do functional neurological disorders teach us about emotion – and vice-versa?* Invited Grand Rounds for the Department of Psychiatry, Tufts Medical Center. (Presented virtually.)

Roberts, N.A. (2022, May). *Why Get Emotional? Understanding Emotion-related Mechanisms of Functional Neurological Disorders.* Invited presentation for the Neuropsychology Fellowship Seminar, Veterans Healthcare Administration, Phoenix, AZ. (Presented virtually.)

Roberts, N.A. (2022, January). *Why Get Emotional? Understanding Emotion-related Mechanisms of Functional Neurological Disorders.* Invited Grand Rounds for the Department of Psychiatry, University of California, San Francisco, CA. (Presented virtually.)

Roberts, N.A. (2019, July). *Emotion, Culture, and Relationships.* Invited presentation for the Psychology Education Series, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2019, February). *Psychogenic Nonepileptic Seizures: Ruling-in Emotion.* Invited presentation for the Neuropsychology Colloquium, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2014, December). *Psychogenic nonepileptic seizures*. Invited Neuropsychology Grand Rounds, Barrow Neurological Institute, Phoenix, AZ.

Roberts, N.A. (2014, March). *Approaching PNES with Emotion: A Scientific Understanding of Emotion in PNES*. Invited presentation to the Department of Neurology, University of Sheffield and Royal Hallamshire Hospital, Sheffield, United Kingdom.

Roberts, N.A. (2009, February). *The role of emotion in nonepileptic seizures*. Invited colloquium for the Epilepsy Research Conference, St. Joseph's Hospital, Phoenix, AZ.

Roberts, N.A. (2004, February). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, University of Wisconsin-Milwaukee, Milwaukee, WI.

Roberts, N.A. (2004, January). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, The Pennsylvania State University, State College, PA.

Roberts, N.A. (2004, January). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, Harvard University, Cambridge, MA.

Roberts, N.A. (2002, November). *The impact of ethnicity on emotional reactions during films*. Invited colloquium for the Department of Psychology, Stanford University, Stanford, CA.

Roberts, N.A. (2002, April). *The impact of ethnicity on emotional reactions during films*. Invited colloquium for the Department of Psychology, University of California, Davis, CA.

Werner, K.H. & **Roberts, N.A.** (2001, November). *Emotional reactivity and understanding in Frontotemporal Dementia*. Invited grand rounds colloquium, Memory and Aging Clinic, University of California, San Francisco, CA.

Internal Invited Colloquia

Roberts, N.A. (2021, November). *Why get emotional? Avoiding and expressing emotions in functional neurological disorders*. Colloquium for the School of Social and Behavioral Sciences - Psychology Program Brownbag Series, Arizona State University, Glendale, AZ.

Roberts, N.A. & *Stowers, M. (2017, November). *Impostor Phenomenon*. Invited for the New College of Interdisciplinary Arts and Sciences Teaching Innovation and Excellence ("TIE") workshop, Arizona State University, Glendale, AZ.

Roberts, N.A. (2016, October). *What are Psychogenic Non-epileptic Seizures? An Emotion Research Perspective*. Invited colloquium for the Behavioral Neuroscience program, Arizona State University, Tempe, AZ.

Burleson, M.H. & **Roberts, N.A.** (Shared first-authorship) (2015, March). *Emotion, stress, and affection in couples: Conflict, kissing, and co-regulation*. Invited colloquium for the School of Social and Behavioral Sciences, Arizona State University, Glendale, AZ.

Roberts, N.A. (2014, November). *It's all in your head: Using emotion and neuroscience to understand psychogenic nonepileptic seizures*. Invited colloquium for the New College of Interdisciplinary Arts and Sciences (New College Faculty Research Colloquium), Arizona State University, Glendale, AZ.

Roberts, N.A. (2014, October). *Studying emotion: From seizures to culture*. Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

Roberts, N.A. (2009, November). *What does stress do to emotion?* Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

Roberts, N.A. (2007, December). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

INVITED INDUSTRY (CORPORATE) AND COMMUNITY TALKS

Roberts, N.A. (2015, November). *What are psychogenic nonepileptic seizures?* Invited presentation, Adult Epilepsy Seminar hosted by the Epilepsy Foundation of Arizona, Phoenix, AZ.

Roberts, N.A. (2014, February). *How "gefühle" can lead the way: Research on emotion, scent, and consumer behavior*. Invited presentation, Research and Development, Henkel AG & Co. KGaA, Düsseldorf, Germany.

Roberts, N.A. (2008, June). *What can emotion tell us about consumer behavior?* Invited presentation to the Research and Development, Business, and Sales Teams, The Dial/Henkel Corporation, Scottsdale, AZ.

Roberts, N.A. (2007, July). *Marketing to human behavior and physiology*. Invited presentation to the Personal Care Management Team, The Dial/Henkel Corporation, Scottsdale, AZ.

Roberts, N.A. (2007, February). *Feeling is believing: The science of emotion in everyday life*. Invited colloquium for the Center for Innovation "Dial University" Colloquium Series, The Dial/Henkel Corporation, Scottsdale, AZ.

GRANT ACTIVITY

FUNDED GRANT PROPOSALS (EXTERNAL)

SCC-PG: Getting the Edge on Data-Driven Self-Managed Care: A focus on Older Veterans in Arizona. NSF proposal #2231874, planning grant. Role: Co-PI (PI: Ming Zhao). \$149,999. Awarded Apr. 25, 2023.

Religion, Culture, and Trust. Air Force Office of Scientific Research. Role: Co-investigator (joined project in August 2016). (PIs: Adam Cohen and Gene Brewer). Amount funded: \$1.64M (3 years).

The Emotional Influence of Gruesome Photographs in the Courtroom. National Science Foundation, July 2016. Role: Senior Personnel (PI: Jessica Salerno). \$270,000.

Attraction-Enhancing Smells. Henkel AG & Co. KGaA, Düsseldorf, Germany, January 2013. Role: PI. \$15,000. Project funds went to the School of Social and Behavioral Sciences, Arizona State University.

Emotional Responding in Psychogenic Nonepileptic Seizures. Institute for Mental Health Research. July 2010 – June 2012. Role: PI. \$25,000.

Emotion and Consumer Decision-Making. The Dial/Henkel Corp., Scottsdale, AZ, February 2008. Role: PI. \$15,000. Donation to New College of Interdisciplinary Arts and Sciences, Arizona State University.

FUNDED GRANT PROPOSALS (INTERNAL) (All peer-reviewed)

Law Enforcement Officer Motivations, Attitudes, and Connections to Stress Dynamics. Student-faculty Collaborative Research Grant, Master of Science in Psychology Program, School of Social and Behavioral Sciences, Arizona State University. March 2021. Student (*) Faculty Awardee Team: *Burnett, A., *Paige, A., **Roberts, N.A.**, Duran, N., & Burleson, M.H. \$2,500.

Improving Police Officer Decision-Making under Stress. Arizona State University Institute for Social Science Research (ISSR), Submitted Sept. 2020 (award period Jan. – May 2021). Role: PI. \$8,000.

A Longitudinal Investigation of Resilience during COVID-19. Student-faculty Collaborative Research Grant, Master of Science in Psychology Program, School of Social and Behavioral Sciences, Arizona State University. Dec. 2020. Student (*) Faculty Awardee Team: *Munson, A., *Braunstein, B., *O'Brien, M., Burleson, M.H., Mickelson, K, **Roberts, N.A.**, & Hall, D. \$2,500.

Developing and Translating an Understanding of Emotion-based Mechanisms of Dysfunction in Psychogenic Nonepileptic Seizures. Institute for Social Science Research (ISSR), Arizona State University, January 2016 – May 2016. Role: PI. \$8,000.

Stress, Emotion, and Communication in Spouses of Deployed Military: Implications for Mental Health. New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2012 – June 2013. Role: PI. \$5,000.

Who Can “Read the Mind in the Eyes?”: Emotion Detection in Patients with Psychogenic Nonepileptic Seizures. New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2011 – June 2012. Role: PI. \$5,000.

Choice and Subjective Value: Evidence for a Two-Step Decision Making Process? New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2010 – June 2011. Role: Co-PI (other co-PI: Elias Robles, Arizona State University). \$10,000.

Post-Traumatic Stress and Nonepileptic Seizures: Is Emotional Disengagement a Common Underlying Mechanism? New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2009 – June 2010. Role: PI. In lieu of \$5,000 (requested), research semester awarded.

Emotion in Psychogenic Nonepileptic Seizures: Bridging Neurology and Psychology, New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, June 2008. Role: PI. \$5,000.

A Multi-Method Assessment of Emotion in Seizure Patients, New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2007. Role: PI. \$4,997.67.

Emotional Processing in Epileptic and Nonepileptic Seizure Patients, Multi-Disciplinary Grants-In-Aid Program, Arizona State University, January 2007. Role: PI. \$30,000.

The Emotional Impact of Media Images: A Comparison of African Americans and European Americans. University of Wisconsin System Institute on Race and Ethnicity Small Research Grant Award, University of Wisconsin-Milwaukee, July 2005. Role: PI. \$5,000.

UNFUNDED GRANT PROPOSALS

Building Digital Advances for Emerging Adults with IBD: Leveraging Interdisciplinary Navigation and Connection (LINC). Pfizer Global Medical Grants: Addressing Knowledge Gaps in Inflammatory Bowel Disease (IBD) Care. Role: ASU Subcontract PI (full proposal PI: Brad Pasternak, Phoenix Children's Hospital; Mayo Clinic Subcontract PI: Brian Arizmendi). Full proposal: \$200,000 requested; ASU Subcontract: \$59,000 requested (\$46,094 direct, \$12,906 indirect). (Mayo Clinic of Arizona subcontract also \$59,000 requested.)

Connected Healthcare Delivery for Emerging Adults: Piloting Digital Advances in Navigating Interdisciplinary Care with a Focus on Psychogastroenterology. Mayo Clinic and Arizona State University Alliance for Healthcare Seed Grant Program. Letter of intent submitted March 2022 (full proposal not invited). Role: ASU PI (Mayo Clinic PI: Dr. Brian Arizmendi).

PIPP Phase I: Center for Pandemic Prediction and Proactive Prevention (4PC). National Science Foundation, submitted 10/1/2021. Role: Co-Principal Investigator (PI: Pitu Mirchandani). Proposal #2200178. \$999,273 requested.

REU Site: Data Science for Social Good. National Science Foundation, submitted 8/23/2021. Role: Co-Investigator (PI: Kuai Xu). NSF proposal #2150285. \$405,000 requested.

SCC-PG: Getting the Edge on Data-Driven Self-Managed Care: A focus on Older Veterans in Arizona. NSF proposal #2125647, planning grant submitted Feb. 2021. Role: Co-PI (PI: Ming Zhao). \$150,000 requested.

EAGER: SAI-E Computational Social Analytics: Transforming Cyber-Social Training Infrastructure. NSF [EAGER: DCL on Strengthening American Infrastructure] proposal #2122038, submitted Feb. 2021. Role: Co-PI (PI: Scott Barclay). \$297,913 requested. (Invited for full EAGER submission based on 2-page concept outline submitted Dec. 2020.)

HCC Core: Medium: Integrating Sensor Technology to Enhance Police Decision-Making under Stress. National Science Foundation (NSF) #2107604, submitted Nov. 2020. Role: PI. \$1,199,272 requested.

Tracking Changing Trust and Institutional Legitimacy: International, National, State, Local and Interpersonal. NSF [RAPID: DCL on COVID-19] proposal 2027769, submitted July 2020. Role: co-PI (PI: Audrey Comstock). \$199,553 requested.

Cognitive and psychological benefits of exercise in patients with Epileptic and Nonepileptic Seizures. National Academy of Neuropsychology (NAN) Clinical Research Grants program, submitted July 2019. Role: ASU PI / full grant co-investigator (PI: Robin Garrett, Banner University Medical Center-Phoenix). \$17,000 requested.

Microbiome and Vitamin D Interventions in the Gut-Brain Axis of IBS. National Institutes of Health (R21), submitted June 2019. Role: Other significant contributor. (PIs: Todd Sandrin and Peter Jurutka). \$450,650 requested (\$315,856.00 direct costs; \$134,794.00 indirect costs, including sub-award to consortium site, Mayo Clinic of Arizona).

Developing an Understanding of Emotion-based Mechanisms in Psychogenic Nonepileptic Seizures. National Institutes of Health (R21; National Institute of Neurological Disorders and Stroke), submitted June 2018. Role: PI. \$451,790 requested (\$275,000.00 direct costs; \$134,332.00 indirect costs, including sub-award to consortium site, Mayo Clinic of Arizona).

Behavioral and Physiological Responses to Angry Women and African Americans in Legal Settings. National Science Foundation, submitted July 2018. Role: Co-PD/PI (PI: Jessica Salerno). \$483,212 requested (\$325,914 direct, \$157,298 indirect).

Biobehavioral Markers in Psychogenic Nonepileptic Seizures: A Model for Understanding and Improving Healthcare Delivery for Medically Unexplained Symptoms. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. Letter of intent submitted May 2018 (full proposal not invited). Role: ASU PI (Mayo Clinic PI: Dr. Dona Locke).

Reducing Healthcare Costs and Confusion through Affective Neuroscience: Biobehavioral Markers to Improve Diagnosis and Patient Experience for Psychogenic Nonepileptic Seizures. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. Letter of intent submitted May 2015, full proposal invited and submitted August 2015. Role: ASU PI (Mayo Clinic PI: Dr. Kristin Kirlin). \$50,000 requested.

Testing Mechanisms of Emotion Regulation in Psychogenic Nonepileptic Seizures. Institute for Mental Health Research. Submitted February 2015. Role: PI. \$20,000 requested.

Applying Affective Science Technologies to Improve Management and Healthcare Delivery for Patients with Psychogenic Nonepileptic Seizures. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. Submitted August 2014. Role: ASU PI (Mayo Clinic PI: Dr. Kristin Kirlin). \$40,000 requested.

Writing Interventions for Maritally Separated Adults: Moderators and Mediators. National Institutes of Health (NIH R01), submitted October 2013. Role: PI for Arizona State University Subcontract. \$1,054,760 requested (\$748,220 direct; \$306,540 indirect). (Overall proposal PI: David Sbarra, University of Arizona.)

Frontal Brain Asymmetry as an Endophenotype of Familial Risk for Depression. National Institutes of Health, submitted March 2010. Role: PI for Arizona State University Subcontract. \$529,825 requested (\$369,503 direct; \$160,322 indirect). (Overall proposal PI: John J.B. Allen, University of Arizona.)

Emotional Reactivity and Regulation in Patients with Nonepileptic Seizures. National Institutes of Health (R21; National Institute of Mental Health), submitted June 2009. Role: PI. \$411,994 requested (\$275,000.00 direct costs; \$136,994.00 indirect costs).

Emotional Functioning in Nonepileptic Seizure Disorder. Arizona Institute for Mental Health Research, submitted August 2007. Role: PI. \$25,000 requested.

Older but Wiser: A Pilot Laboratory Study of Aging and Healthy Emotion Regulation. National Institutes of Health, submitted July 2008. Role: Co-investigator/Consultant. (PI: Michelle Shiota). \$146,719.00 requested. Third round submission: scored in top 23rd percentile.

Toward a Religiously Sensitive View of OCD. Arizona Institute for Mental Health Research, submitted August 2007. Role: Co-PI (other Co-PI: Adam Cohen, Arizona State University). \$25,000 requested.

Collaborative Research: RUI-Parents' Socialization of Children's Risk Perception in the Context of Catastrophic Events: Causes and Consequences. National Science Foundation (NSF), submitted January 2007. Role: Co-PI (PI: Barbara Tinsley). \$594,301 requested.

Mechanisms of Family Socialization of Child Coping with Unexpected Emergencies. National Institutes of Health (R21), submitted November 2006. Role: Co-PI (PI: Barbara Tinsley). \$395,078 requested.

Emotional Processing in Patients with Psychogenic Nonepileptic Seizures. National Institutes of Health (R03; National Institute of Mental Health Behavioral Science Track Award for Rapid Transition [B/START]), submitted October 2006. Role: PI. \$74,750 requested. Priority score: 173 (top 22.1%).

OTHER FUNDING SUBMISSIONS

Threatened Scholars Initiative – Nomination of Russian scholar applying to relocate to Arizona State University. \$70,000 requested for residence. Application submitted April 16, 2022. Decision pending.

SPECIALIZED RESEARCH TRAINING

Observational coding of emotion

- Certified in the Facial Affect Coding System (FACS)
- Certified in the Specific Affect Coding System (SPAFF)

Psychophysiological data collection

- Cardiovascular, electrodermal, and thermal indicators of autonomic nervous system activity
- Electromyographic indicators of somatic nervous system activity

Polysomnography

- Sleep recording and sleep staging using electroencephalographic, electromyographic, and electrooculographic indicators

COURSES TAUGHT

2006 – present Arizona State University

Undergraduate level

PSY 101: Introduction to Psychology
 PSY 325: Introduction to Physiological Psychology
 PSY 366: Introduction to Abnormal Psychology (face-to-face and on-line)
 PSY 399: Supervised Research/Individualized Instruction
 PSY 475: Multicultural Issues in Clinical Psychology (previously cross-listed as HON 494)
 PSY 484: Supervised Clinical Internship (structured weekly seminar along with field placements)
 PSY 493: Undergraduate Honors Thesis
 PSY 494: Undergraduate Teaching Assistant Experience
 PSY 499: Individualized Instruction

Graduate level

PSY 573: Psychopathology
 PSY 592: Graduate Student Research
 PSY 598: Special Topics: Emotion
 PSY 598: Special Topics: Multicultural Issues in Clinical Psychology
 PSY 599: Graduate Thesis
 MAS 585: Graduate Capstone

STUDENT MENTORING

UNDERGRADUATE

Student Research Assistants

Approximately 10 students per semester earning credit or volunteering in the Emotion, Culture, and Psychophysiology research laboratory

New College Undergraduate Inquiry and Research Experiences (NCUIRE) awards:

- Fall 2021 Yasmine Sarraf, NCUIRE Research Assistantship (\$625 stipend)
Stress, emotion, and decision-making in police officers
- Fall 2019 Cara Charles, NCUIRE Research Assistantship (\$625 stipend)
Emotion and decision-making: Neurological and cultural perspectives
- Spring 2018 Lauren Mitchell, NCUIRE Research Assistantship (\$625 stipend)
Emotional Behavior in Psychogenic Nonepileptic Seizures
- Spring 2016 Linda Foster, NCUIRE Research Assistantship (\$625 stipend)
The impact of beliefs about emotion
- Spring 2016 Rand Hanna, NCUIRE Research Assistantship (\$625 stipend)
Empathy and touch across cultures
- Fall 2015 Rand Hanna, NCUIRE Research Assistantship (\$625 stipend)
Empathy, culture, & emotional processing
- 2012 – 2013 Siavonh Lenaburg, NCUIRE Scholarship (\$2,500 stipend, \$500 supplies)
Eating disorders and couple relationships: The influence of stigma
- Fall 2012 Krissy Jo Bergen, NCUIRE Research Assistantship (\$625 stipend)
Emotion, culture, and relationships
- Spring 2012 Allison Garvin, NCUIRE Research Assistantship (\$625 stipend)
Stress and emotion in couples: Is affection an antidote?

New College Undergraduate Student Research and Creative Projects Expo award:

- Spring 2015 3rd Place – Best Independent Research/Creative Presentation
Agnia Barrientos Celpa, Tatjana Varmaz, Taylor, Boggio, Alejandro Ayala, C. Jessie Duncan, Lori Hermosillo, & Amal Fakhouri
The Effects of Eating Disorders on Intimate Relationships

UNDERGRADUATE – HONORS

Note: Date reflects completion or anticipated completion.

Honors Thesis Committee Chair

- May 2019 Stephanie Miller (co-Chair: Jenna Gress Smith, Ph.D.)
Treatment of Chronic Pain in a Veteran population: The role of alcohol
- May 2018 Lauren Mitchell
Emotional responses of PNES patients during four relived emotion tasks
- Dec 2016 Sanjana Khanna
Effects of social technology multi-tasking and task-switching on student learning: A literature review
- May 2016 Rand Hanna
Stress, empathy, and culture
- May 2012 Kristina Winikates
Deinstitutionalization and its effects on emergency medicine

Honors Thesis Committee Member

| | |
|----------|---|
| May 2022 | Tara Paranjpe (School of Computing and Augmented Intelligence) <i>Investigating stress among police training cadets using machine learning</i> |
| May 2021 | Catherine Marken <i>Impacts of mental health stigma on marriage quality in police wives</i> |
| May 2020 | Carly Rogers <i>Social cognition in adults with autism spectrum disorder: Sex differences and aging correlates</i> |
| May 2020 | Saily Valadez <i>Relationship influence through personality</i> |
| May 2017 | Daniel Restrepo <i>Investigating the changes in emotional state on the Pacific Crest Trail</i> |
| May 2014 | Cayla Duncan <i>Does scent influence women's ratings of men's attractiveness?</i> |
| May 2014 | Silvio Gonzalezs <i>Do mood and relationship status influence attraction?</i> |
| May 2013 | Kali Kenar <i>How sex influences sex: Gender differences in relationships between intimacy and marital satisfaction</i> |
| Dec 2012 | Alia Azmat <i>Reports of mood and sexual activity through the menstrual cycle in a lesbian sample</i> |
| May 2012 | Mitchell Call <i>Give them their sweet deseret: A manifesto to the mormon church</i> |
| May 2007 | David Herring <i>Amusement and the autonomic nervous system</i> |

GRADUATE – MASTER'S LEVEL

Core faculty, *Master of Science in Psychology program*

Graduate Student Advisee Internal Research Awards:

| | |
|---------|--|
| 2022-23 | Julia Suci, with Natali Barragan, Anisia Guzelides, Karissa Beesly, \$1,250, "Investigating the Role of Shame and Culture on Help-Seeking Behavior in a Cross-Cultural Sample." Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. |
| 2021-22 | Natalie Kanga, \$1,250, "Exercising away non-epileptic seizures (NES): A pilot study of the effects of exercise on emotion, cognition, and clinical symptoms in NES." Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. |
| 2020-21 | Lucia Dayana Villareal, \$2,000, "Emotional Awareness, Somatic Symptoms, and Affectionate Touch Among Individuals with Posttraumatic Stress and Psychogenic Seizures." Graduate Research and Support Program, ASU Graduate and Professional Student Association and Graduate College. |
| 2018-19 | Daisy Ornelas, \$1,400, "Parent Emotion Expression Values and Adolescents: A Cultural and Social Perspective." Graduate Research and Support Program, ASU Graduate and Professional Student Association and Graduate College. |

Master's Thesis Committee Chair: Master of Science in Psychology

- May 2024 Julia Suci
How are you? Ethnocultural differences in help-seeking behavior
- May 2024 Xiaoxiang Ellen Zheng
Topic: Cross-cultural differences in interpersonal emotion regulation and well-being
- May 2021 Lucia Dayana Villareal
Understanding emotional experiences and partner relationships among individuals with psychogenic non-epileptic seizures
- May 2021 Aaron Burnett
Law enforcement officer burnout and marital satisfaction: An examination of emotional processes
- May 2019 Daisy Ornelas
Examining parenting behaviors and attitudes towards emotions and their effects on response to adolescents' negative emotions from a cultural perspective
- May 2019 Stephanie Thibault
In religion we trust: Psychophysiological correlates of emotion and trust among religious in-group members
- May 2018 Marin Schmitt
Emotion regulation repertoire
- May 2018 Olivia Knizek [Co-chair with Dr. Lindsey Mean]
Adjustment after retirement from collegiate athletics
- May 2017 Christopher Reynolds
Neuropsychological predictors of alexithymia in psychogenic nonepileptic seizures and epilepsy
- May 2016 Kaylee Rosenbusch
Emotion, sleep, and dreaming
- May 2015 Victoria Bryant
Emotion regulation and couple relationships among patients with seizure disorders
- May 2013 Lori Hermosillo
Mental health stigma and military spouses: The influence of marital conflict and career consequences on help-seeking encouragement
- May 2012 Mallory Barker
Is ignorance bliss?: Attributions for seizures and consequences of those attributions among participants with psychogenic nonepileptic seizures
- May 2012 Christina Walter
Evaluating brain boosters: A new cognitive enhancement program for treating post traumatic stress disorder and depression
- Dec 2011 Katrina Powell
In their shoes: Impact of emotions in marital satisfaction, communication, and technology in spouses of deployed military

Master's Thesis Committee Co-Chair: Master of Arts in Counseling Psychology

- Spring 2017 Lori Burmeister
Mental health and online interventions among veterans with posttraumatic stress
- Summer 2013 Dhannia Torres
Posttraumatic stress and the emotional experiences of anger and happiness
- Master's Thesis Committee Co-Chair: Master of Science in Computer Science*
Spring 2023 Enhancing machine learning models for stress prediction in police cadets
- Master's Thesis Committee Member: School of Computing and Augmented Intelligence*
May 2022 Sang-Hun Sim
Machine learning approaches to biometric stress assessment among police cadets
- Master's Thesis Committee Member: Master of Science in Psychology*
May 2024 Elyse Ku
Machine learning to differentiate autism spectrum versus ADHD: The role of emotion regulation
- May 2024 Sean Sachs
Natural language processing and affectionate touch in couples
- May 2024 Alena Wolfson
Autism, cortisol, and emotion
- May 2022 Aubrie Munson
Are Post-Traumatic Stress Symptoms the Pathway Between Interpersonal Trauma and Touch Aversion?
- May 2020 Renee El-khab
The role of empathy in finding an effective intervention to reduce HIV related stigma
- May 2019 Kaitlyn Schodt
Social Anxiety and Emotion Regulation Processes in Romantic Relationships
- May 2019 Hayley Seely
The emotionality effect: The role of parental emotion expression in child mental health
- May 2019 Wenxi Yang
Exploring the link between sensitive temperament and depression: The role of parenting environment and empathic personal distress
- July 2018 Cayla Jessie Duncan
Depressive symptoms moderate the effects of positive interactions on physiological stress reactivity in married couples
- May 2018 Julie Hurd
Repercussions of sexual and physical trauma: The impact of lingering negative attitudes about touch
- May 2018 Jenelle Gaytan
A couples-based team approach to prophylactic bilateral mastectomy and social disapproval
- May 2018 Ashley McAfee
Does touch and talk increase synchrony in married couples?
- Dec 2017 David Parkhurst
Social affect regulation and physical affection between married partners: An

experimental examination of the stress-buffering effect of spousal touch and the role of adult attachment

- July 2017 Gurjot Kaur
Effect of social support and problem- solving coping on stress predicting life satisfaction
- May 2017 Litzia Cortez
Support substitution and provision of sibling support: The role of obligation and resentment on student's mental health
- May 2017 Shiza Shahid
Spousal touch during sleep: Better sleep unless you're anxiously attached?
- May 2017 Jillian Thrall
The effects of chronic physical pain on empathy
- May 2017 Melissa Pope
Attitudes toward menopause
- Aug 2016 Miriam Velez-Bermudez
The exploration of patient-doctor relationships, social support, and symptom invisibility among women with lupus: A qualitative study
- May 2016 Sineenuch Wongsomboon
Delay and probability discounting as determinants of sexual risk behavior: The effects of delay, uncertainty, and partner's characteristics
- May 2015 Kendall Schellenger
The relationship of attitudes about touch with depressive symptoms among women who report abuse
- May 2015 Jeffrey Carlson
Predictors of mental health in parents of children with epilepsy
- May 2013 Katarina Valancova-Acevedo
The effect of hormone replacement therapy on cardiac autonomic response to laboratory stressors
- May 2013 Lauren van Huisstede
Perceived parenting, emotion regulation, and adult depression
- May 2013 Ryan Erhart
Content of Native American cultural stereotypes in comparison to other racial groups
- May 2012 Emily Foreman
Impulsivity and the experience of childhood trauma on the effect of psychological maladjustment
- May 2012 Xin Guan
What helps self-control? Social relationship characteristics and self-control
- May 2012 Jeffrey Mintert
Inhibitory control, negative emotionality, and threat appraisals as predictors of children's status in the context of bullying
- May 2012 Tara Vincelette
The effects of spousal interactions on affect and next-day somatic symptoms

Master's Thesis Committee Member: Master of Arts in Counseling Psychology

- Fall 2007 Dana Weber
Relational aggression among young adults: Are mattering to friends, self-esteem, and spirituality predictors?
- Capstone/Applied Project Committee Chair: Master of Science in Psychology*
- Dec 2022 Natalie Kanga
Topic: Emotion Regulatory Benefits of Exercise for Functional Neurological Disorders
- May 2017 Melissa Schultz
Does childhood affection mitigate later seizure symptoms?
- August 2012 Steven Gunther
Getting into graduate school: The blue binder
- Capstone Project Committee Chair: Master of Science in BioMedical Diagnostics*
- Summer 2015 Kristine Delgado
Patient diagnostic and treatment experience and healthcare providers' understanding of PNEAD (psychogenic non epileptic attack disorder)
- Capstone Project Committee Chair: Master of Arts in Interdisciplinary Studies*
- Spring 2010 Ashley Fairchild
Program sponsor recall and the solution to the problem of advertising avoidance
- Spring 2010 Michael Devine
Interactions between obsessive-compulsive disorder and religion
- Capstone Project Committee Member: Master of Science in Psychology*
- Dec 2023 Feroza Mushtari
Afghan refugees and posttraumatic growth
- May 2018 Matthew Stowers
Impostor Phenomenon
- May 2016 Adam Kiss
Sleep and Emotion
- May 2015 Stephen Sprague
Social relationships and touch: positive effects on stress expressed through heart rate
- May 2015 Perla Mendoza
The effects of physical and social interaction between spouses on affective responses to laboratory stressors
- May 2015 Hayley Swanson
Impact of affectionate touch during childhood
- May 2015 Jessica Jones
A historical and current view of post traumatic stress disorder within the military and current therapies utilized for treatment
- Capstone Project Committee Member: Master of Arts in Interdisciplinary Studies*
- Summer 2012 Terry Bruns
Teaching resilience: A pilot workshop

GRADUATE – DOCTORAL LEVEL

Affiliated member of the graduate faculty, Psychology program

Affiliated member of the graduate faculty, Counseling Psychology program

Dissertation Committee Co-Chair: Counseling Psychology

Spring 2023 Lori Burmeister

Military spouses and encouragement of treatment-seeking: The influence of marital distress, career concerns, stigma, and commitment

Dissertation Committee Member: Counseling Psychology

Fall 2017 Dhannia Torres

The Role of Intimate Partner Violence, Coping Strategies, and Marianismo and the Development of PTSD for Latinas

Summer 2012 Dana Weber

Academic success and well-being following OEF/OIF deployment

Dissertation Committee Member: Psychology

Summer 2009 Angela Zamora

Parent socialization of children's perception of risk and danger management: Mother-child conversations about stranger danger

Dissertation Committee External Examiner: Clinical Psychology, Concordia University

Winter 2011 Jessica Dere

The cultural shaping of alexithymia: Chinese values, 'Western' values, and externally oriented thinking
